# LETTER FROM ROMEMU'S CO-CHAIRS

Dear Friend,

In our roles as Co-Chairs and members of this wonderful congregation, we are blessed to report that your support of Romemu this past year - which was quite a difficult year - has made an enormous difference.

All the services and programs highlighted in this report were only possible because of the investment you made in our shared community. The impact of your support on spiritual seekers in New York and around the world is evident in the messages Romemu's clergy and staff receive regularly, a small sampling of which is included in this report.

Romemu has come so far, having thrived through 2.5 years of the pandemic with more members than ever. Like shuls around the world, we are still figuring out how to create community in close proximity, and how to serve the needs of each and every member near and far whether they show up in physical form or on the screen. What we are clear about is that under the leadership of Rabbi Ingber and Executive Director, Jeff Cahn, our devoted clergy, staff, and musicians, as well as the Board, will continue to work diligently to davven deeply, sing joyously, learn Torah, keep our community safe and tightly connected, and ensure everyone in the community is held in simchas and in sorrow.

In the coming year, we commit to optimizing our onsite synagogue and online Zoomagogue experiences for our soulful and musical prayer services and programming.

We look forward to spending the High Holy Days with you in just one month's time in the synagogue, the Zoomagogue, or both! If you haven't yet signed up - please do so now to secure your seats and/or Zoom links. Take a peek at our [High Holy Day schedule here](#). We encourage you to invite family and friends to join - the High Holy Day experience at Romemu was the prompt for both of us to join and lead Romemu. It all starts now!

Wishing you and your loved ones a Shana Tova,

Jonathan Fassberg
